Nursery Charges

<i>15 Hour Funded Childcare for 3 and 4 year olds</i>	All 3 and 4 year old children are eligible for 15 hours of funded childcare. This is applied automatically once we have received your signed grant form. You will not be charged for 15 hours of nursery provision
<i>30 Hour Funded Childcare for 3 and 4 year olds with working parents</i>	You could get up to 30 hours funded childcare in total if you and your partner (if you have one) work full or part-time hours. You could still be eligible, even if you're on maternity, paternity or adoption leave, or if you're unable to work. Check the full eligibility criteria to find out if you can claim. If you're a foster carer who works and you meet the eligibility criteria, you can apply for 30 hours funded childcare. You can apply for funded childcare funding for 3 and 4 year old's 16 weeks before your child's third birthday. We recommend you apply no more than 3 months before you're eligible to claim. You must apply in good time to take your eligibility code to your childcare provider before the deadline. You must have a valid code by the end of the month before a new term starts and this must be renewed regularly Apply for a 30 hour code If eligible you will not be charged for 30 hours of nursery provision. You must provide us with your eligibility code before your child starts a full-time place. You may lose this eligibility if your circumstances change or you do not renew your code in time.
