

Whole School Times Tables Songs

So that there is consistency across classes and year groups when learning times tables facts, we have chosen specific songs to help the children learn the different tables:

Remember, the children should know their times tables with rapid recall (within six seconds) by June of Year 4 when they take their Multiplication Check Test.

Year 2 (and older):

2s: **Can't Stop the Feeling** - <https://www.youtube.com/watch?v=9C4EN7mFHCK>

5s: ***Number Blocks** - <https://www.youtube.com/watch?v=KPffpuHYIhc>
(A good one to share for counting on in 5s, highlighting that multiples end on 0 or 5 – BUT it does not state 1 times 5 is 5 etc - <https://www.youtube.com/watch?v=eq3ZolnO0r4>)

10s: ***Heroes with Zeroes by the Number Blocks** -
<https://www.youtube.com/watch?v=zGxsCk2ppcl>

Year 2 are also required to 'count in steps of 3 from 0 forward and backward' so could introduce the 3 times table: Percy Parker <https://www.youtube.com/watch?v=jJG4ZgJTOAs>

***The Numberblocks are aimed at younger children but it's unlikely that you will need to revise the 5 and 10 times table after Y3.**

Year 3 (and older) - keep the Year 2 tables on the boil and introduce:

3s: **Percy Parker** - <https://www.youtube.com/watch?v=jJG4ZgJTOAs>

4s: **I'm Still Standing** - https://www.youtube.com/watch?v=8QU_E0u-tP4

8s: (double the 4 times table) Rolling in the Deep -

Year 4: (and older) - keep all of the Y2 and Y3 times tables on the boil and learn:

0s: No song necessary – the answer is always 0!

1s: No song necessary – the answer is always the number being multiplied by 1.

6s: **Shake it Off** - https://www.youtube.com/watch?v=dr_zC8f8giA (with some lyrics and animations) or
